

NEWSLETTER N°2, July 13th, 2019

Hello friends and listeners,

Thank you for reading our second newsletter, which will be shorter than the first one promised! In it I would just like to announce to you more in detail the new **THOTH-HERMES EX LIBRIS** episodes which I will be publishing for the first time at the end of this month.

I have already mentioned this new format in the last newsletter, so this time I will tell you more about it, what it will contain, look like etc.

It is important to note that those episodes will not come instead of regular interview episodes or, worse, replace them, but this will be **ADDITIONAL** content provided to you.

The idea arose because I would like to be able to present to you more than just one author or event per show. Initially, the regular episodes had a news and review section, but after a while I realized that

- a) Some of you are not interested in the “extra bit”
- b) In order to make regular episodes not too long, each news item or review could only get 3-4 minutes, which does not allow you to go in-depth
- c) The production process of such a mixed episode is more complicated and therefore interfered with the regularity of releases

Therefore I developed the idea to make those extra episodes and I gave them the name

THOTH-HERMES EX LIBRIS

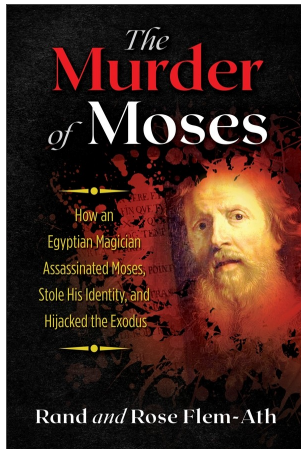

First episode to be released July 28

After the first quick idea I gave you in the last newsletter, I thought I would provide you with a preview of the content of the first episode of **EX LIBRIS**, to be released on July 28th (hopefully, one never knows ☺ ...)

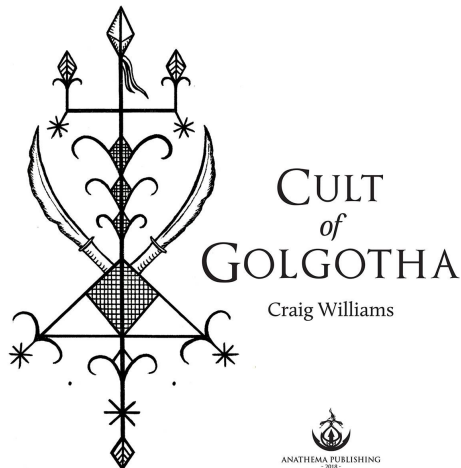

In each episode, there will be four content items – the first three lasting 8-12 minutes, the last about 20 minutes. That will make episodes of just a bit under one hour.

I am trying to introduce to you different kinds of works and types of content, to give you a wide view on the world of the Western Esoteric Tradition.

CONTENT OF EPISODE 1

A review of “The Murder of Moses”,
by Rand and Rose Flem-Ath.
Originally published in 2014, Bear Company
(Inner Traditions) recently released this new version

GREG’S CHOICE

“Occult of Personality” podcast and very fine scholar,
